

The sport and leisure

The sports clubs

There are three sports clubs in our town.

MLKS sports club – where lots of children and teenagers take part in various disciplines i.e. badminton, chess, table tennis, and bridge. The most successful is the badminton section, its players have won 26 medals in the Polish Championships and 2 medals in the European Championships.

There are three sections in UNIA sports club : soccer, basketball and horse riding. KYOKUSHIN karate club, its players have won lots of medals. The talented teenagers make progress every year.

There are also school sports clubs in the gmina area. The clubs try to encourage young people to participate in various sports activities.

The sports facilities

There are two sports facilities:

a sports- spectacular hall where soccer, basketball, volleyball, badminton, gymnastics, acrobatics, judo, wrestling etc. can be practiced. Various national and international events are organized at the facility. It is equipped with appropriate numbers of lockers rooms, shower rooms, toilets, cloakrooms, biological regeneration rooms, a gym, clubs rooms. The hall has stands with 864 seats. There is also a café and a hotel for 39 guests. The facility is adopted for disable people that allows them to take part in sport-leisure activities.

a town stadium which has two soccer pitches, an athletics track, a long jump track.
